Commissioner Jane E. Henney  
Parklawn Bldg. Rm. 14-71  
56 Fishers La.  
Rockville, MD 20857

Dear Ms. Henney:

I am a member of the Center for Science in the Public Interest (CSPI), and support their petition. I urge you to save human lives by banning the use of medically useful antibiotics in animal feed, as his practice obviously exposes humanity to greater risk of life threatening bacterial infections that are unresponsive to treatment.

I respectfully encourage your support.

Sincerely,

Marjorie Altman
